How do we
stack up?

Organizations

NCDA – National Career Development Association

CCE, Inc. – Center for Credentialing and Education Inc.

NBCC – National Board for Certified Counselors

SHRM – Society for Human Resources

NACE – National Association of Colleges and Employers

ICF – International Coach Federation has multiple platforms to become eligible for a credential. The most common is to complete an approved training program.

ATD – Association for Talent Development

Notes

Fee ranges represent member and non-member cost for the organization offering the credential. NCDA does not use this approach and you do not need membership to apply for a credential.

Pricing verified April 2021 and is subject to change. Please check the websites of these organizations for exact requirements, training & benefits.

What role do you play in the Career Development field?

CCSP Certified Career Services Provider is for career & workforce development professionals. This credential has no educational requirements or minimum years of experience.

CMCS Certified Master of Career Services is for practitioners in advising, coaching, and consulting. This credential requires a minimum of a bachelor's degree in any major and 5-7 years of experience in the field.

CCC Certified Career Counselor is for those who hold masters degrees in counseling or related fields, who have specialized in career development and who provide career counselling services.

CSCDA Certified School Career Development Advisor is for K-12 career educators who work directly with students or who help design and coordinate school & community based efforts.

Do you teach career development to others? Consider our **CCCE** and **CCSCC** credentials for Faculty, Supervisors and Counselor Educators.
